Docket No. RM2012-3

MOTION FOR LATE ACCEPTANCE OF INITIAL COMMENTS

(April 10, 2012)

Initial comments in this docket were due on April 9, 2012 by 4:30 p.m. Although comments were ready to be filed by the deadline, technical difficulties were encountered in attempting to convert the document to PDF format as required by the Commission. Therefore conversion was completed for submittal as soon as possible after the Commission's deadline. Therefore I respectfully move for acceptance of these comments one day late. It is anticipated that this delay will not affect the interests of any party to this proceeding.

Respectfully submitted,

William C. Miller
